

The Spirit of CJ Foundation

CJ Carrozzella died on March 3, 2003, from head injuries he received in a motor vehicle accident. At the time of his death he was 17 years old and a junior at Xavier High School in Middletown. During his short life, CJ engaged in sports activities, both in school and within the community, and had found a love for dance at the end of his life. CJ touched many lives as a result of his involvement in all of these activities. In 2003, CJ's family founded The Spirit of CJ Foundation, a 501(c) (3) organization, in CJ's memory in order to carry on CJ's spirit of life. The Foundation's mission is to donate proceeds from benefit events to community and charitable organizations consistent with the philosophy and spirit of CJ.

It is with a heavy heart that we announce that this year's tournament will be our last one. We have had a truly fantastic run over the past 10 years exceeding all expectations thanks to your generous support.

We ask and invite all of our supporters over the years to come out 1 more time to support our boy CJ so that we can continue the Foundation's charge to give back to the likes of the organizations noted below.

Since 2003, The Spirit of CJ Foundation has donated in excess of \$90,000 to charities close to CJ's heart. These beneficiaries include: *Xavier High School, Project Graduation, Wallingford Little League, Wallingford YMCA, Hospital of St. Raphael, Wallingford Emergency Shelter, Wallingford Junior Football League, Wallingford Lacrosse-Wallingford Public Library, Meriden Children First, Wallingford Wishing Well, Holy Trinity School and Holiday for Giving.*

CJ's family invites all golfers, his friends and classmates and their families to the reception/dinner
